

CONCORDIA'S CLEAN HOUSE II

TOMORROW, MARCH 28, 9:00 AM – 3:00 PM

Come ready to throw out the old and worn, trim the overgrown landscape, and organize the storage on campus.

We need your help to make our church and school campus look its best!

Come for as little as one hour or spend the entire day. Bring your work gloves, some light house cleaning supplies (dusters, rags, etc.), and a dust mask (if you're sensitive or allergic). If you have them, bring buckets, pruning supplies, wheel barrows, crowbars, and long extension cords. We'll provide the rest. Lunch will be provided.

If manual labor is not your thing, please come anyway! There's plenty of "light" work to do as well.

Earn Services Points

See you tomorrow!
